COURSE OFFERING - SPRING TERM 2023

REGISTRATION: January 02 – January 31

CLASSES BEGIN: February 6, 2023 (14 Weeks)

105-2 Old Testament Survey 4 – Proverbs - Song of Songs (Professor White) 7:00 to 9:00 p.m. Tuesdays

This course focuses on how to apply and teach the wisdom books of the Old Testament, covering Proverbs through the Song of Songs. Topics include apologetics, biblical worldview, character development, charity, courage, ethics, faith, love, marriage, prophecy, servant-leadership, sex, suffering, trust, virtue, wisdom, and worship. Deals with authorship, date, historical context, literary forms, themes, and applications for preaching. Students will create visual projects and applications for transformational discipleship and leadership.

224 Teaching to Change Lives (Instructor TBA) 7:00 to 9:00 p.m. Mondays

This course focuses on how to teach using methods that result in life change. Topics include teaching to change lives, the expository text-driven preaching process, the importance of personal development, learning styles, active learning, communication, addressing emotions, creative assignments, and character development. Students will create visual projects and applications for transformational discipleship and leadership.

466-1 Theology of Evil and Suffering (Professor Rev. Dr. Conley) 7:00 to 9:00 p.m. Tuesdays

This course focuses on answering the question if God is good why is there evil and suffering. Topics include why is there evil and suffering, understanding the origin and consequences of evil, problems for non-theists regarding evil and suffering, evil and suffering in the redemptive work of Christ, human choice and evil, the two eternal solutions to the problem of evil (heaven and hell), how God uses evil and suffering, why God allows suffering, living meaningfully in suffering, and applications for preaching. Students will create visual projects and applications for transformational discipleship and leadership.
